IT TAKES TIME

You have to put in the work and the time and figure out what works best before even thinking about having someone return. It took me a year to figure out my fundamentals, another year to find clients, and the rest to keep growing...

ellemlashco Good Morning,

Let's talk about getting personal. Regarding the beauty industry, I truly believe it's not what it was back in the day. It's not a one-stop shop. As a professional, you need more than that these days.

The competition is high, and it's only going to keep growing, and you need to do something about it. People will go above and beyond just to find the right person, and once they find it, it's

Carousels

ellemlashco ✨WE LISTEN AND WE DONT JUDGE✨

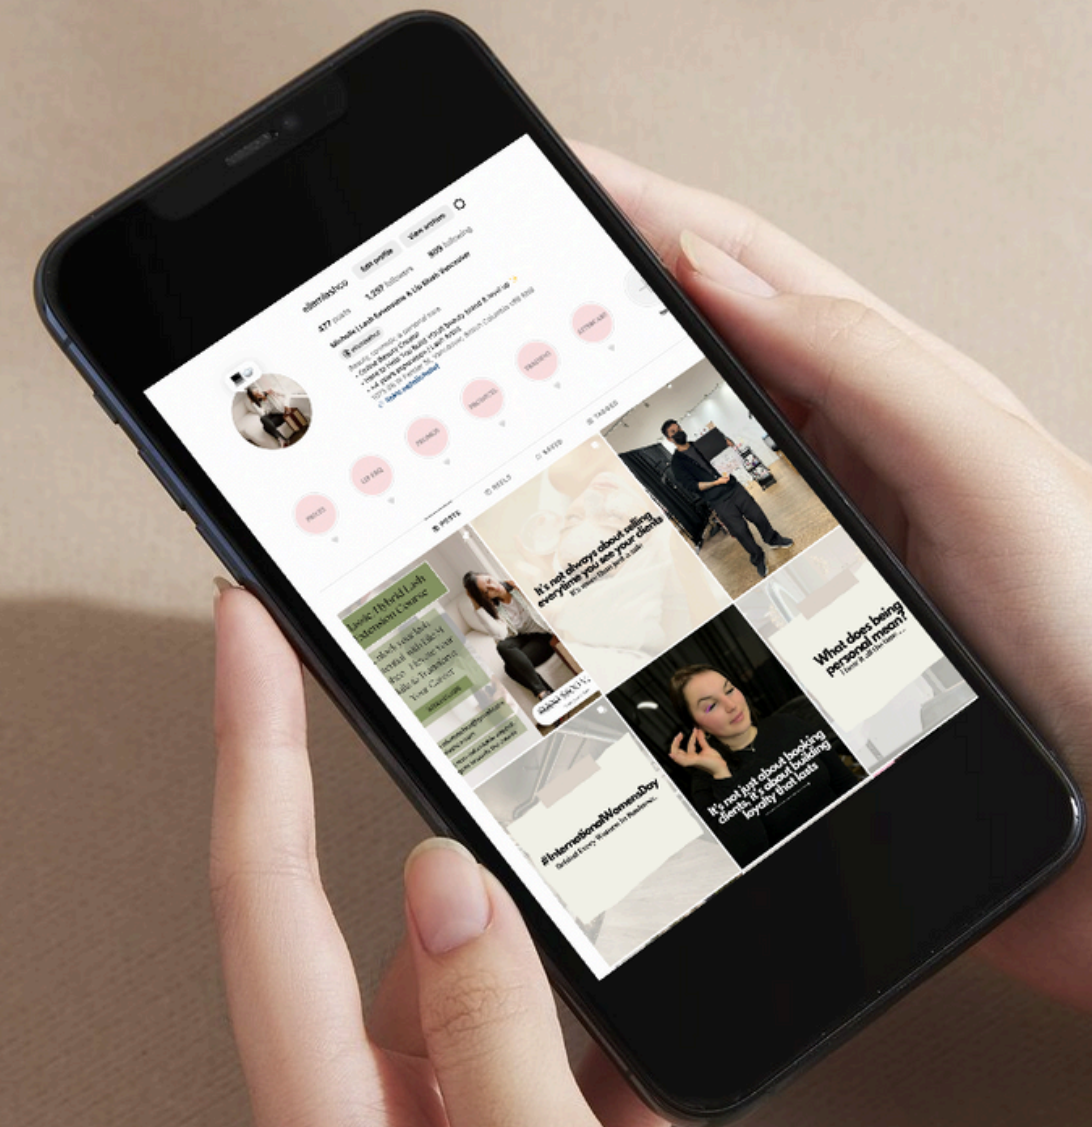

I'm always pretty lonely doing this job, and it's nice to have someone who I can share my thoughts with in this industry. I like things change so much, and keeping up with what's new is exhausting. However, having a buddy to talk about is nice 😊

ARE YOU THE RIGHT FIT?

I'm looking for businesses that are ready to step away from managing their social media, establish a stronger online presence, and stay relevant in their niche.

I especially love working on projects in fashion, beauty, and wellness. Building a presence online requires communication, engagement, and trust. I'm here to provide you with a professional experience on how to get your brand out there.
